President's Letter

Is it cliché to talk about gratitude in the month of November? Maybe. But here we are, in the month of Thanksgiving, a holiday that seems to be overlooked in the retail seasons – many

observances skipping straight from Halloween to Christmas. But not here! I do want to take a few moments to speak from the heart and be true about what ANEW means to me. What each of you mean to me. Because ANEW is a great organization, but it's only as great as the members who are part of it. And we are great because of you.

Our name ANEW is an acronym that stands for A Network of Evansville Women. But I'd like to take those same letters and use them to guide a reflection and appreciation of ANEW. Maybe you'll feel inspired and create your own word art during this month of gratitude and thanksgiving. If you do, please share on our Facebook group for all to see!

A– I'm grateful for this group of **accomplished** and **amazing** women. Constantly blown away by how **able** we are to navigate busy schedules, professional hurdles and development **achievements**. And we are leaders, serving as the **authoritative** voice of professional women in our community. A steadfast pillar, with a proud history of **awe-inspiring** promotion of women.

N – Calling us **networked** feels like cheating since it's part of our name, but it's absolutely true. But we are also **nimble**! Look at how we continued to meet and stay connected through COVID adjusting to the pandemic closures and guidelines. We're also **notable**, constantly making the **news** with the achievements of our members. We're **nurturing**, supporting people in our lives that need help – whether that's **non-profits**, team members at work, or fellow ANEW colleagues.

E – This group is full of **energy** and keeps things **exciting**! I love seeing **extraordinary** work done in our non-profits and volunteer roles, sharing **eloquence** and **enthusiasm** with community organizations, **empowering** our diverse region with **exuberance** for opportunity and **empathy** for the human **experience**.

W – The women of ANEW are **wizards** of **wisdom**, **wishful** in their vision and **wonderful** in their support. I'm so thankful for their visionary imagination with a commitment to the history of **working** in the region and standing up for what's right and breaking the glass ceiling. **Wow!**

Aimee Stachura – Orientation Chair
 Courtney Schmitt – Marketing Chair
 Alohana Jackson – Special Events Chair
 Jackie Stinson Smith – Historian
 Vicki Simmons - Director
 Nicole Boren – Director
 Liz Alles - Director
 Marissa Priddis - Director
 Claire Bosma - Director

Advertise with ANEW in 2023!

Did you know that consumer research consistently shows that women make more buying decisions than men? Women influence at least 80% of all household spending. Today your company's success may ultimately come down to how effectively you win business from women and inspire loyalty to your brand from your female customers.

Advertising with ANEW is the perfect way to invest in a crucial target market for your business. Monthly advertising options include, *Featured Advertiser*, *Monthly Advertiser*, *Special Events Underwriter* (October and December), and *Door Prize* opportunities. To learn more about advertising options in 2023, click [HERE](#) or contact Aimee Stachura at astachura@girlscouts-gssi.org.
