5 Things you Didn't Know about Tracy Wilson

1. She has been to every continent except Antarctica, but would love to vacation there. She also would like to go to the Grand Canyon or on an African Safari. She loves to visit amazing locations around the world.
2. If she won the lottery, she would spend her winnings on fresh flowers around the house, massages, going to the movies, manis, pedis, and eating out without a coupon. She would like to fund her favorite projects/charities an her daughter's college tuition. It will need to be a big lottery win!
3. When she was in elementary and high school, she was painfully shy!

Letter from the President

April has long been considered a time for renewal and rebirth. Even William Shakespeare wrote about April in one of his famous poems.

"April hath put a spirit of youth in everything."
~William Shakespeare

I really enjoy this time of year and feel Mr. Shakespeare hit the nail on the head. April is uplifting and exciting - whether it's through witnessing nature come alive again or taking a long-awaited vacation, it is a time of year to rejoice.

April is also the beginning of the second quarter of the year. Time is flying by quickly and I want you to know that I, as well as the ANEW board, are working hard to make this an outstanding year. I want to express again that I would love to hear from you about any questions, comments, praises, and/or critiques that you may have about ANEW. I care about your experience as a member and am making it my mission this year to ensure you are satisfied. I look forward to hearing from you.

Take Care,
Jill Rawley

4. When she was in college, she ran cross country and track. She was a walk-on and had to work extra hard. She eventually got a small scholarship proving the adage, "hard work pays off" to be true.

5. Her most embarrassing moment was at her current job when she got 'locked in' a round 360 degree Immersive Theater. She couldn't tell which door she had just come in since they all looked the same. Every door had a huge neon sign stating: "Door locks automatically. Do not exit. Alarm will sound." After a long moment of contemplation, she held her breath and pushed through the closest door and ran to her group nearby. The travelers never knew why she was in such a hurry to leave.

Tracy is the Director of Air Group Tours with Lifestyle Tours in New Harmony. Tracy has been an ANEW member since July of 2015. Tracy is a Director on the Board for ANEW.

Membership Appreciation Event

Registration is open for the Golf outing at Evansville Country Club. PLEASE REGISTER BY EMAILING info@evansvilleanew.org.

ANEW will host the 2nd Annual Golf Outing on June 19th at the Evansville Country Club. The event begins with lunch in the ballroom at 11:30 and then we will head out onto the course for a 9-hole golf scramble. Afterwards, light appetizers and drinks will be served while we announce the winners for the day.

We have asked local golf expert, Brian Myrick, to share his knowledge and passion for the sport during the event. Brian has spent much of his career in the golf industry where he served in multiple capacities around the country, most recently as the Head Golf Professional at Oak Meadow Country Club. During our event, he will present a short informational speech and demonstration during lunch and will then stay on the first tee during the scramble to assist everyone.

We want to encourage everyone to come, even if you have never golfed before. The scramble is exclusive to ANEW members and open to the first 50 registrants. So, RSVP soon. We are sure to sell out.

Please RSVP by emailing Lori Otzmann at info@evansvilleanew.org. When you email Lori, please note if you own your own golf clubs. If you don't, we will try to pair you with someone that can share their clubs. One last thing, ECC members with golf privileges, please let Lori know that you are a golfing member so we do not get charged for your green fees.
