President's Letter

Spring is upon us and I couldn't be happier! What's not to love about sunny days and cool nights, flowers popping up everywhere, trees awakening and getting out and enjoying the weather?

I find that as spring arrives I get a little complacent with safety around my home. I'm terrible about leaving my garage door up while I'm working in the back yard, doing paint projects, etc – it just seems simpler to leave it up when I'm going in and out. Last year I was working on a paint project in the garage and the door was up; it was about 9pm and I went inside the house to the clean my brushes. I was at the kitchen sink which made my back to the door. When I heard the storm door open my heart skipped a beat! Then a voice asked, "where's the body?"!!

When I turned around the woman now standing in my kitchen was wearing a coroner's jacket – she was supposed to be at the house next door as it turns out my neighbor had passed. I was clearly in no danger but it reminded me how quickly someone can enter your home!

I am excited to welcome Anna Gray from the EPD back to our March meeting as she always provides great tips and insight about safety in our community. Murders, robberies, trafficking of drugs and humans – we are, unfortunately, not isolated from any of these issues.

I look forward to seeing you all soon!
Rita

If your organization has a job opening, ANEW can help promote your opening and list it on our ANEW website.

Women of Distinction

Advertise with ANEW in 2023!

Did you know that consumer research consistently shows that women make more buying decisions than men? Women influence at least 80% of all household spending. Today your company's success may ultimately come down to how effectively you win business from women and inspire loyalty to your brand from your female customers.

Advertising with ANEW is the perfect way to invest in a crucial target market for your business. Monthly advertising options include, *Featured Advertiser*, *Monthly Advertiser*, *Special Events Underwriter* (October and December), and *Door Prize* opportunities. To learn more about advertising options in 2023, click [HERE](#) or contact Aimee Stachura at astachura@girlscouts-gssi.org.
